

Fentahun Modawo

Fullstack Web Developer (Frontend Oriented)

pentaonprivatepc@gmail.com | FentahunModawo.com | Linkedin Profile | 058-6686806 | Jerusalem

PROFESSIONAL SUMMARY

Frontend-focused Full Stack Web Developer with 3 years of hands-on experience building and maintaining production-grade web applications using React, Next.js, Angular, and .NET Core. Proven ability to deliver responsive, high-performance user interfaces alongside scalable backend solutions. Experienced in end-to-end development from Figma designs to production deployment, with a strong focus on clean code, usability, and system stability.

WORK EXPERIENCE

Malam Team

Jerusalem, knesset israel

Full stack web developer

May 2023 - Present

- **Developed, deployed, and maintained** 4+ production-grade full-stack web applications using React and Angular on the frontend, and .NET / .NET Core, C#, and SQL Server on the backend and Data. Built responsive mobile and desktop interfaces, optimized performance, and delivered clean, modular, and maintainable code.
- **Resolved** complex bugs and **implemented** key features using C#, Razor, and Umbraco CMS for a high-impact enterprise client, boosting system stability and reducing feature deployment time by 30%.
- **Enhanced** Umbraco Backoffice usability by designing intuitive interfaces for content managers - streamlining workflows and reducing onboarding time for non-technical users.
- **Delivered** end-to-end project development from Figma handoff through development, staging, and production deployment, including QA-driven bug fixes, UI/UX alignment, and multiple iteration cycles, working independently with team lead oversight.

Independent

Israel

Digital Marketing Specialist

Jan 2020 - Mar 2022

- **Executed** 100+ organic and paid digital marketing campaigns across diverse sectors, including educational platforms, Holocaust survivor donation drives, and children's first aid programs and much more.
- **Developed, executed and optimized** end-to-end marketing strategies by building buyer personas, developing tailored messaging, and managing full campaign lifecycles, aligning each with project goals and audience insights.
- **Increased** traffic and lead generation by 40% within two months through targeted campaigns, data analysis, and continuous A/B testing and optimization.
- **Utilized** industry-standard tools such as Google Analytics, Hotjar, Facebook Business Manager, and Click Funnels to monitor KPIs, analyze user behavior, and continuously refine strategies for maximum ROI.
